Final Checklist

It's time to apply to Ingenious+! Use the checklist below to make sure you have all the elements you'll need for your application.

- ☐ Pick two categories to apply to.

- ☐ If you're entering as a team, collect contact information and birthdays from your teammates.

- ☐ Prepare your answers to the application questions in written or video format.

- ☐ Select one photo that best represents your project to upload with your application.

- ☐ Gather up any additional links, social handles, video and uploads that you want to include.
